MANAGEMENT SERVICES CIRCULAR NO. 01 OF 2008:

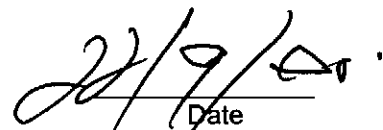

TARIFF INCREASE FOR GOVERNMENT TRANSPORT BETWEEN EMPLOYEES' RESIDENCE AND WORKPLACE

1. The tariff for transporting employees between their residence and workplace is revised annually and implemented on 01 October.
2. The tariff increase for 2007/08 (01 October 2007 to 30 September 2008), was only implemented on 01 June 2008, owing to late submission to Treasury, hence the 2006/07 tariff was maintained till 31 May 2008.
3. The tariff is computed using a formula based on either the Consumer Price Index (CPI) for July, or on the annual cost of living salary adjustment for July, where whichever result is the lesser, will be used as the new tariff.
4. The tariff for 2008/09 (01 October 2008 to 30 September 2009) is based on the annual cost of living salary adjustment and will be R52.50 per employee per month.
5. A historical overview of tariffs is as follows:

(a) 2006/07	R44.50 per person per month
(b) 2007/08	R47.50 per person per month
(c) 2008/09	R52.50 per person per month
6. Officials making use of government transport between residence and workplace are hereby reminded that the new tariff will come into effect as from 01 October 2008 and will appear on their salary advices as a deduction.
